If there are multiple bidders on the contract, the County representative may also obtain price quotes from these bidders. The County reserves the right to award these similar items to the primary contract bidder, another contract bidder based on the lowest price quoted, or to acquire the items through a separate solicitation.

All samples shall become the property of the County.

The County reserves the right to perform its own testing procedures or to send any and all samples to any certified laboratory for analysis. Any costs for testing shall be borne by bidder. Any sample submitted shall create an express warranty that the whole of the goods and/or services to be provided by the bidder during the contract period shall conform to the sample submitted. The bidder shall be required to provide adequate restitution to the County, in the manner prescribed by the County, if this warranty is violated during the term of the contract.

2. Bidders shall use the most recent Certification List available prior to bid submission. Certification List may be obtained by contacting SBD at telephone number (305) 375-3111 during normal business hours or online www.miamidade.gov/sba.
3. The SBE firms on the Certification List will be identified by commodity code. In order to be eligible to participate as an SBE subcontractor, the SBE must be certified in the commodity code or service area in which they are to perform the work.

The small business member of the joint venture must be certified as an SBE before the joint venture can be approved.

D. APPLIED CONTRACT MEASURES

1. Set-asides
 - a. Set-asides are for bidding solely among SBEs. AN SBE awarded a set-aside contract shall not transfer to a non-SBE through subcontracting or otherwise, any part of the actual work of the contract unless the bid documents expressly and specifically require and/or permit such transfer

Note: This affidavit will be requested from all bidders once bids are received and evaluated.

as consistent with normal industry practice, or the SBE requests and receives prior to bid award an approval letter from SBD.

- b. If the SBE is using subcontractors to meet a portion of the set-aside on a contract, an Agreement is required and is subject to the requirements for the submittal of Agreements of Section D.2.c.
 - c. An SBE may perform 100% of the set-aside with its own workforce.
 - d. Bids that contain a defective Agreement shall be allowed up to 48 hours from bid submission to cure correctable defects. Correctable defects may include, but are not limited to: SBE percentage not indicated, prime or subcontractor failed to sign the Agreement, or calculation errors.
 - e. Bidders that fail to correct defects in the Agreement within 48 hours after bid submission shall be non-responsive.
2. Subcontractor goals
- a. Bid documents to which a subcontractor goal is applied shall require bidders to submit a signed Agreement at the time of bid submission identifying all SBEs to be utilized to meet the subcontractor goal. Each Agreement shall be in writing, shall be executed by the bidder and the SBE, and shall specify the scope of work, percentage of services the SBE will provide, and commodity code the SBE will perform. The Agreement constitutes a written representation by the bidder that to the best of the bidders' knowledge the SBEs listed are available and have agreed to perform as specified, or that the Bidder will demonstrate unavailability. Upon notification from SBD, bidders/proposers shall be allowed up to 48-hours after bid submission to cure correctable defects in the Agreement. Correctable defects may include, but are not limited to: SBE percentage not indicated, prime or subcontractor failed to sign the Agreement, or calculation errors. Failure to submit an Agreement and SBE joint venture agreement, if applicable, shall deem a bid non-responsive.
 - b. The Agreement shall incorporate;
 - i. The scope of work to be performed by the SBE; and
 - ii. The percentage of services the SBE will provide; and
 - iii. The prompt payment obligation; and
 - iv. The SBE joint venture Agreement; if applicable

Note: This affidavit will be requested from all bidders once bids are received and evaluated.

- c. A bidder that is an SBE may meet up to 100% of the subcontractor goal with its own workforce.
- d. A bidder challenging or protesting the subcontractor goal must submit to the office or person to whom the bid is submitted, no later than the time of bid submission, written reasons for such challenge or protest. Challenges or protests to an SBE subcontractor goal by bidders after the time of bid submission, or challenges based on reasons not previously provided in writing prior to bid submission, shall not be heard by the County Commission.
- e. After a bid is advertised with a subcontractor goal, it may be reduced only with the approval of the County Commission.
- f. Expenditures to subcontracting SBEs shall be counted toward meeting specified goals as follows:
 - i. One hundred percent (100%) of the expenditures to SBEs, that perform a commercially useful function in the supply of goods or services required for fulfillment of the contract;
 - ii. One hundred percent (100%) of the expenditures to SBEs that subcontract work further to non-SBEs only if bid documents expressly and specifically permit such subcontracting as consistent with normal industry practice, or the bidder or SBE requests and receives prior to bid award an approval letter from SBD.
 - iii. One hundred percent (100%) of the expenditures to SBEs who are vendors, working as subcontractors, that perform actual work with their own force;
 - iv. None of the expenditures to SBEs that act essentially as a conduit to transfer funds to a non-SBE unless bid documents expressly and specifically permit such transfers as consistent with normal industry practice or the bidder or SBE requests and receives prior to bid award an approval letter.
- g. To prove lack of availability, at time of bid submission, bidders must submit the following:
 - i. Certificate of Unavailability (Form No. SBD 502) either completed and signed by the SBEs or completed and signed by the bidder explaining the contacts with the SBE's statement or actions of the SBEs showing unavailability, and the reason(s) why the SBE's signature could not be obtained; and

Note: This affidavit will be requested from all bidders once bids are received and evaluated.

- ii. A listing of any bids received from SBEs, the scope of work and price of each bid, and the bidder's reasons for rejecting each bid; and
- iii. A statement of the bidder's contacts with SBD for assistance in determining available SBEs; and
- iv. A complete description of the bidder's process for soliciting and evaluating bids from SBEs; and
- v. Bidders may establish an SBE as unavailable if the bidder provides evidence proving the SBE's bid is not reasonably competitive with comparable bids of non-SBEs, for the same scope of work.

E. PRE-AWARD COMPLIANCE

1. The Compliance Monitor reviews bids for compliance with these Provisions on every contract on which an SBE set-aside and/or subcontractor goal has been applied.
2. When there is non-compliance with these Provisions, the Compliance Monitor notifies the bidder in writing, stating the facts and the reasons on which the non-compliance is based. Upon notification from SBD, the bidder may request a meeting in writing within two business days from the date of the notification of non-compliance. If requested, the bidder shall supply further relevant information as required by the Compliance Monitor. However, no new or altered agreement will be accepted.
3. Upon completion of its compliance review, the Compliance Monitor shall issue a written recommendation to the Contracting Officer that includes facts and reasons for the bidder's compliance or non-compliance.
4. The Contracting Officer, in conjunction with the Compliance Monitor, may conduct an informal meeting with the respondent. Other parties may be invited to offer information relevant to the issue of the respondent's non-compliance.
5. The Contracting Officer shall in writing determine whether the bidder complies with the requirements of these Provisions and whether to recommend to the County Manager that the contract be awarded to the bidder. Such recommendation shall not restrict the Board of County Commissioners from rejecting the bid for any reason or to take such action at the recommendation of the Contracting Officer as the Board deems appropriate.

Note: This affidavit will be requested from all bidders once bids are received and evaluated.

F. PROMPT PAYMENT

1. All firms, including SBEs and Micro Enterprises providing goods and services to the County, shall receive payments promptly in order to maintain sufficient cash flow.
2. Invoices from SBE prime vendors shall be promptly reviewed and payment made by the County or Public Health Trust, where applicable, on those amounts not in dispute within 30 calendar days of invoices.
3. A prime vendor on a contract with SBE measures shall include in its invoices to the County or Public Health Trust, where applicable, copies of undisputed invoices from SBE subcontractors within 14 calendar days of receipt of such invoices, or by the next scheduled invoice, whichever comes first. The prime vendor shall pay those amounts not in dispute to subcontracting SBEs within 2 days of receipt of payment from the County. If the prime vendor fails to submit undisputed invoices from an SBE to the County as specified herein or chooses not to submit any invoice to the County pursuant to the invoice schedule, the prime vendor must pay the full amount of the received SBE invoice by the next invoice cycle or 40 calendar days from receipt, whichever is less.
4. The County or prime vendor in direct privity with an SBE on a contract with SBE measures must notify the SBE and SBD, in writing, of those amounts billed by the SBE which are in dispute, and the specific reasons why they are in dispute, within fourteen (14) calendar days of submittal of such invoice, or by the next scheduled invoice whichever comes first. Failure of the County or prime vendor to comply with the applicable requirements of this subsection shall result in the forfeiture of the right to use the dispute as justification for not paying the SBE and payment shall be forthcoming from the County or prime vendor as appropriate by the next invoice date or 40 calendar days from receipt of invoice date, whichever is less.
5. An SBE may invoice the County or prime vendor, as appropriate, 1% interest per month for any undisputed amount that is not promptly paid.

G. POST AWARD COMPLIANCE AND MONITORING

1. SBD shall monitor and enforce the compliance of the vendor with the requirements of the Administrative Order, and any related program requirements during the duration of the contract and may monitor for up to one year after notice of completion of the work or full payment of contract obligations, whichever comes last.

Note: This affidavit will be requested from all bidders once bids are received and evaluated.

2. Successful Bidders and SBEs/Micro Enterprises shall permit the County to have access during normal business hours to all books and records relating to the compliance with the contract measure applied to the contract or relating to compliance with certification requirements. This right of access shall be granted for one year after completion of the work or full payment of contract obligations, whichever comes last, or for one year after the expiration of SBE certification.
3. Successful Bidders and SBEs/Micro Enterprises shall permit the County to have access to employees performing work during normal business hours in order to conduct visual inspections and interviews that may be conducted privately when necessitated by County staff.
4. Successful Bidders and SBEs/Micro Enterprises shall comply with all reporting requirements established by SBD. Failure to comply with the reporting requirements may result in the imposition of contractual sanctions or administrative penalties by the County.
5. In the event that during the performance of a contract containing an SBE subcontractor goal, an SBE is not able to provide the services specified in the Agreement submitted at the time of bid, the Successful Bidder must locate an SBE to substitute. The Successful Bidder must receive approval for substitution from SBD. A Successful Bidder that cannot secure a substitute SBE must provide a written statement to the Compliance Monitor.
6. The Compliance Monitor shall be responsible for monitoring the performance of the Successful Bidder regarding compliance with a contract measure applied to the contract. The Compliance Monitor may, at his or her discretion, investigate deviations in the utilization of SBEs from that required by the contract and make recommendations regarding compliance to the Contracting Officer. The Contracting Officer shall not make a final determination without a recommendation regarding compliance from the Compliance Monitor. Deviations from the contract measure stated in the contract that shall be monitored include, but are not limited to:
 - a. Termination of an SBE's Agreement;
 - b. Reduction in the scope of work to be performed by an SBE
 - c. Modifications to the terms of payment or price to be paid to an SBE
 - d. Failure to enter into a contract with an SBE being utilized to meet a contract measure.

Note: This affidavit will be requested from all bidders once bids are received and evaluated.

been aware, until subsequent to the date of execution of such subcontract, an SBE, who entered into such subcontract has committed a material breach of the agreement, the Successful Bidder shall be entitled to exercise such rights as may be available to him/her to terminate the Agreement.

8. County's Determination of Bidder's Excuse or Termination.

4. The foregoing obligation shall be in addition to any SBE goal otherwise applicable to the future contract. The procedures for making up the SBE deficit shall follow SBD policy.

Note: This affidavit will be requested from all bidders once bids are received and evaluated.
